PATIENT INSURANCE & POLICIES AGREEMENT

Patient Name: _____ Date of Birth: _____

We would like to thank you for choosing Westwood Ear, Nose and Throat P.C. as your healthcare provider. Westwood Ear, Nose, & Throat P.C. is committed to providing you with the best possible medical care. We are sure that you understand that payment for this healthcare is your responsibility. The following information outlines your financial responsibilities related to payment for professional services.

For Our Patients with Medical Insurance Benefits: We participate in most major health plans. We have contracts with many HMO'S, PPO's, insurance companies and government agencies including Medicare and Medicaid. Our business office will submit claims for any services rendered to a patient who is a member of one of these plans and will assist you in any way we reasonably can to get your claims paid. It is the patient's responsibility to provide all necessary information before leaving the office. If you have a secondary insurance, we will automatically file a claim with them as soon as the primary carrier has paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please bring your insurance card with you at the time of your appointment. If you are insured by a plan we do business with but don't have an insurance card with you, payment in full for each visit is required until we can verify your coverage. If a patient is a member of an insurance plan with which we do not participate, payment in full is due at the time of service.

Co-payments: Your insurance company requires us to collect co-payments, co-insurance and deductible at the time of service. Waiver of such may constitute fraud under stated and federal law. Please help us in upholding the law by paying your co-payment at each visit. For your convenience, we accept cash, checks or the following credit cards: Visa, MasterCard, Discover and American Express. If you do not have your co-payment, your appointment may be rescheduled. Any outstanding balance on your account, after adjusting for all your insurance's responsibilities, will be billed to you.

Waiver of Patient Responsibility: It is the policy of practice to treat all patients in an equitable fashion related to account balance. The practice will not waive, fail to collect, or discount co-pays, co-insurance, deductibles, or other patient financial responsibility in accordance with state and federal law, as well as participating agreements with payers.

Non-Covered and Out of Network Services: Medical services that are considered by your insurance company to be non-covered, out of network, or not medically necessary will be your responsibility.

Covered Changes: If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive your maximum benefits.

For Our Patients With No Medical Insurance: If you do not have group or individual medical insurance, payment for all professional services is expected at the time of your visit. Please note, we do offer discounted fees for patients without health insurance.

Payment Plan: Please let us know if you are having difficulty paying your account. We may be able to help you by setting up a payment plan based on your financial hardship; please call (203) 574-5997 for assistance.

Late Arrivals: A patient who arrives more than 15 minutes after his/her appointment is considered a late arrival. A late arrival, not considered to be the responsibility of the Practice, will be registered and worked into the schedule as soon as possible. If the patient is more than 30 minutes late, the appointment may be rescheduled.

Appointment No-Shows: Any patient who fails to arrive for a scheduled appointment without canceling the appointment at least 24 hours prior to the scheduled time is considered a "no-show." A patient no-show may be charged \$25.00, as set by the Practice, for failure to show.

Delinquent Balance Appointment: Patients with a delinquent balance are required to make payment in full for future services. A delinquent account is defined as a patient balance in excess of 120 days if patient has not made any payments or sought assistance via financial hardship during this time. If such payment is not made, services may be refused.

Nonpayment: All patient responsible balances that remain delinquent after 120 days, with no response to our request for payment, may be referred to a collection agency. Please be aware that if a balance remains unpaid, you and/or the guardian may be discharged from this practice. If this is to occur, you will be notified by regular and certified mail that you have 30 days to find alternative medical care. During that 30 day period, our physician will only be able to treat you on an emergency basis. Thank you for understanding our financial policy. Please let us know if you have any questions or concerns.
